In West Indies

LIUET. LUTHER D. HILL

Lt. Luther D. Hill, formerly a resident in Cameron, is the son of Mrs. Barney McCrummins of Buckholts. There are four sons and three daughters in the service, the largest known number of service men and women from any family in Milam county.

Lt. Hill was recently promoted to his present rank after 14 months in the service. When last heard from he was thought to be in the West Indies.

Mrs. McCrummins is the mother of 16 children and a sister of Mrs Claude Loftin and aunt of Mrs. Vera Kennon.

Before enlisting in the army Lt Hill was engaged in the cattle business and lived in Cameron.

MRS. GLORIA ALLEN FUNERAL HERE SUNDAY

(Saturday's Daily)

Funeral services for Mrs. Gloria Louise Allen, the former Miss Gloria Sadler, will be held in Cameron at 4 p. m. Sunday, October 31, 1943.

Mrs. Allen died in California late Thursday. She was the daughter of Mr. and Mrs. Harley Sadler of Sweetwater. Her husband, Richard Allen, with the armed forces, is on maneuvers in California.

Mrs. Allen, a widely known child actress, had prominent billings in the Harley Sadler shows. Mr. Sadler is now a member of the Texas Legislature and a brother of Jerry Sadler who was elected to the Railroad Commission.

The body will arrive in Cameron at 1:47 Sunday afternoon via Santa Fe and will be taken to the Green Funeral Home where services will be conducted by Rev. C. W. Sanders, Pastor of First Baptist church. Interment will be made in Oak Hill Cemetery, where the grand mother, Mrs. Lou Massengale, is buried.

Mrs. Harley Sadler, mother of deceased, was the former Miss Billie Massengale, a cousin of Mrs. W. O. Triggs, Miss Myrtle Avriett, Mrs. Chas. McDermott and Giles L. Avriett of Austin. Mrs. Ida Avriett in Cameron is an aunt of Mrs. Sadler.

The Sadler family, long prominent in theatrical circles, moved to Sweetwater some years ago where Harley Sadler, the showman, built a home. He went to the Texas Legislature from that district.

Pioneer Druggist Observes Birthday With Family Here

W. I. Clark observed his 84th birth day Tuesday, October 26th, with his children and other close relatives at his home, with a birthday dinner.

Mr. Clark is a retired druggist having operated a drug store in Rockdale several years prior to residence in Cameron and was formerly employed at the Schiller Drug Store. He has many friends in an around Cameron and over this county who wish for him many happy returns of the occasion.

Mr. Clark enjoys good health and lives a quiet home life, walking to town daily and enjoying meeting with friends.

One of the children present for the birthday occasion was his daughter Mrs. Mary Clark Maples of Gallup. N. M., who had been visiting her parents for several weeks. She also visited her children who are living in the Rio Grande Valley while here, and left from Cameron Thursday morning for her home.

Mrs. Lottie Bigbee had as Sunday night guests, Mrs. Edwin Bigbee, her son Billie Bigbee and daughter, Miss Beryl Bigbee and Miss Johnnie Vinyard of Palestine.

A. J. Lewis, Former District Attorney, Dies at Home Here

SUCCUMBS TO HEART ATTACK WEDNESDAY

A. J. Lewis, 56, Former Criminal District Attorney and widely known lawyer, died at his home in Cameron at 1:30 a. m. Wednesday, November 3, 1943, from a heart attack

Mr. Lewis, in declining health for several years, had shown considerable improvement in recent months. He spent the business hours of the day Tuesday in his law offices, returning home in the late afternoon.

Mrs. Lewis, chief clerk at the Local Selective Service Board, reached their home around 8 p. m. Mr. Lewis was in excellent spirits and was feeling well. The attack came at 1:30 a. m. Mrs. Lewis said she was awakened at that hour by her husband who was breathing with great difficulty. She tried to arouse him but he did not respond and the family physician was hurriedly summoned. Mr. Lewis died before the doctor arrived and was never able to speak to his wife and children.

Funeral services are to be held from the Marek-Burns Funeral Home in Cameron at 10:30 a. m. Thursday, November 4, 1943, with Rev. John C. Solomon, Pastor of First Presbyerian church, conducting. Interment will be made in Oak Hill Cemetery.

The body of the former District Attorney will remain at the Funeral Home Wednesday afernoon and night and will not be taken to the family residence.

A. J. Lewis was born in Cameron on October 30, 1887, the son of Andrew Jackson Lewis and Mary Rebecca Lewis. He obtained his early education in the elementary and high schools of Cameron and entered the law school at the University of Texas, graduating and returned to his home city where for a time he was associated with the late W. A. Morrison in the practice of law. For two years he was assistant to Roy Baskin in the office of District Attorney and when Mr. Baskin retired from that office in 1920, Mr. Lewis became District Attorney.

Mr. Lewis served 12 years in the office and was never opposed by any candidate. He was regarded throughout the state as one of the leading state's attorneys and his record stands out in Milam county as unique noteworthy. Always a forceful for convictions and a grateful people expressed regret over his retirement from the office in 1932.

After retiring as District Attorney in 1932, he established law offices and began practice. He was associated with Roy Baskin in the practice of law while serving as Assistant in the District Attorney's office.

Mr. Lewis retained his popularity. The people as well as close personal friends held him in high esteem for the idealism which his life exemplified and the soundness of character which inspired confidence and trust The enobling qualities of integrity were his and remembrance of such men is not written upon the sands.

The family were pioneers here. Andrew Jackson Lewis, late father of deceased, settled in Milam county in the early Seventies. He was Mayor of Cameron and also at one time was City Marshal here. He served in the office of Sheriff of the county. The mother, before her marriage, Miss Mary Rebecca Campbell, now deceased, was a pioneer from a pioneer family.

In 1925, Mr. Lewis married Miss Minnie Nell Blaylock, daughter of the late L. L. Blaylock, sheriff of Milam county, and Mrs. Blaylock now living in Cameron.

Surviving are his widow and four children as follows: Jack Lewis, Jr., Rebecca Jo, Martha Nell and Lynn. Two sisters survive and are: Mrs. Lola Hearrell of Cameron and Mrs. Giles L. Avriett of Austin. Three nephews and two nieces survive: The nephews are Lt. Giles C. Avriett, United States Army Air Corps; Jack Avriett, sons of Mr. and Mrs. Giles L. Avriett of Austin; and Jack Hearrell, son of Mrs. Lola Hearrell. The nieces are: Miss Don Marie Avriett, daughter of Mr. and Mrs. Giles L. Avriett of Austin and Mrs. Louise Hefley, daughter of Mrs. Lola Hearrell.

In The Infantry

PVT WILLIAM O. HARPER

Pvt. William O. Harper, infantry, United States Army, is now stationed at Camp Phillips, Kansas.

Pvt. Harper is the son of Mr. and Mrs. A. L. Harper of Cameron, was born and reared here and attended school here.

He obtained his basic training at Camp Robinson, Arkansas, and was later sent to Nashville, Tenn. He was 19 years old when he volunteered for service.

Pvt. Harper was home on furlough in October to visit with his family and other relatives here.

OCTOBER IN HISTORY

October 30, 1835—Born, John Adams, 2nd President.

October 31, 1942—Secretary of the Navy Knox said Jap fleet had retreated from the Solomons.

J. S. Smith of San Francisco is here on furlough visiting friends and relatives. When he returns he will be on board the Submarine Tender Orion. He is now visiting Mr. and Mrs. Chas. C. Smith, Sr.

With The Seabees

RALPM MASSENGALE

The Seabees are building on the frontiers of the global war and the men who make up this unique organization are sharing the hazards of the conflict everywhere.

Among the Seabees from Milam county is Ralph Massengale of Maysfield, the son of A. L. Massengale. When he entered the service of the Seabees he received his training in Providence, Rhode Island, at Camp Endicott. From Camp Endicott he went to Gulf Port, Mississippi, and then transfered to California, from which place he went to a sea base. He was on Attu for a while and is still in the Aleutian Islands.

His wife, the former Miss Emma Thweatt of Maysfield is holding a defense job in Freeport.

H. H. Camp of San Gabriel was in Cameron Saturday on business. Mr. Camp is President of the Rockdale State Bank and one of the large planters of the county, owning a beautiful country home on his plantation at San Gabriel.

We are here to give the news.

COUNTRY CLUB HOUSE DESTROYED BY FIRE

Fire at 5:30 a. m. Saturday completely destroyed the club house and all contents at the Cameron Country Club.

Firemen responding to the alarm were unable to save the building because of the distance run of the trucks and lack of water supply. Not far away from the club house a lake could have supplied water had equipment been available at the time the fire was discovered.

The building, vacant for months, burned rapidly and at day break only the gaunt brick piers and massive chimney stood for the once beautiful club house.

Cameron Country Club was organized in 1925. The club house was built at a cost of $12,806. Only $2000 insurance will be collectible and the loss will be heavy. It was estimated that the material in the building could have been salvaged for $7000. Under the vacancy clause in the insurance contract only about $1400 will be recovered.

Oxsheer Smith, President of the Citizens National Bank, half owner of the property, said early Saturday afternoon that from the ashes of the club house someday will rise another and more modern club. The statement of Mr. Smith is reassuring and Cameron will have a country Club Construction will have to await the end of the war.

Owners of the property which includes more than 100 acres of land said to be one of the best natural golf courses in Texas, are Oxsheer Smith, Mrs. Mamie Hefley and Stanton E. Dossett. The latter two own one fourth of the property. F. C. Fahrendorf, who owned a share, recently sold his interest to Mr. Smith.

The property declined as interest fell away although the golf course now cluttered with weeds, except the greens, has been substantially maintained by golfers who pay dues.

The club house, for a number of years, occupied by a resident tenant, had been vacant for months. Vandalism was responsible for destruction of furniture and interior furnishings and many of the widows were broken.

The club, originally organized to satisfy social demands in the community, functioned well for several years but many of the original members died or moved away and finally the property was taken over by four of the stockholders

The club is an asset to the city and at one time many here urged the city to buy this property. The entertainment possibilities are vast, but as yet no one in official life has had the vision to foresee such desirable things for Cameron.

FUNERAL SERVICES FOR W. M. COBB HELD TUES

Funeral services for W. M. Cobb, former publisher of the Cameron Enterprise were held Tuesday in Lampasas from the First Methodist church.

Mr. Cobb died Sunday in Alice from injuries sustained in a car wreck there earlier in the day.

Mrs. Cobb, widow of the dead publisher, was critically injured in the wreck.

Mr. Cobb formerly lived in Lampasas where he published a paper. He left Cameron some 15 years ago for Mission where he established The Times. In Cameron Mr. Cobb was a civic leader and at one time was secretary of the Chamber of Commerce.

Surviving are a son, Moulton Cobb, now a radio station personality in the Valley. He is a graduate of the University of Texas and at one time editor of the Daily Texan.

12 lb. Sweet Potato On Exhibit at Herald

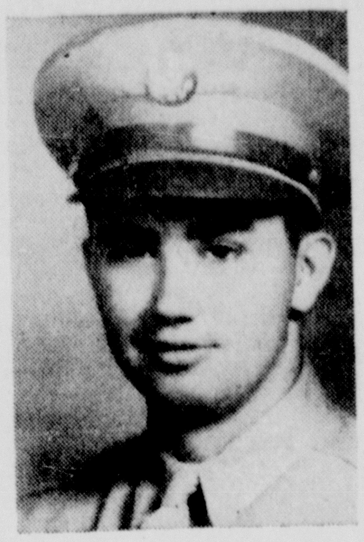
A sweet potato weighing 12 lbs. is on display in a window at The Herald.

This potato was produced by Carl Matzig of the Hoyte community and was dug early Saturday. Weighed at a local grocery store the potato is one of the largest ever seen here.

Recent rains caused potatoes to regrow and some loss has been experienced but on the whole the crop is very fine.

J. W. Garner of Rockdale was a Cameron visitor Friday.

Mechanics Instructor



PFC. LEE R. CLORE, JR.

In this war with mechanics playing a major role, the men who service the machines are the men on whom the nation is depending to do a job, the magnitude of which has never before been equaled.

Here is one of the thousands of trained men doing a first rate job in this war. He is Pfc. Lee R. Clore, Jr., son of Mr. and Mrs. Lee R. Clore, Sr., of Cameron. He entered the service on October 6, 1942, at Duncan Field in San Antonio where he advanced rapidly and is now an instructor in Airplane Mechanics at Tinker Feild, Oklahoma City.

Pfc. Clore is a graduate of Yoe High School in the class of 1940. His father, Lee R. Clore, Sr., is a veteran of World War No. 1, serving overseas with the 36th Division.

W. M. COBB IS VICTIM OF AUTO CRASH SUNDAY

Wm. M. Cobb, veteran Texas newspaper publisher, and former owner of the Cameron Enterprise in Cameron, died Sunday in Alice from injuries sustained in a car crash there earlier in the day.

Mrs. Cobb, with her husband at the time of the wreck, was seriously injured and was understood to be in an Alice Hospital.

Funeral services will be held Tuesday afternoon from the First Methodist Church in Lampasas, with interment in Lampasas where he formerly lived.

Mr. Cobb left Cameron about 15 years ago and moved to the Rio Grande Valley. With his son, Moulton Cobb, he established the Mission Times. In late years he had not been active.

Surviving are his widow, one son Moulton Cobb, radio station operator in the valley.

In The Air Corps

PVT. JOHN CLORE

Pvt. John Clore of Cameron has been in the service since 1939. He volunteered for service and went to Fort Sam Houston in San Antonio where he was assigned to the Medical Corps.

He received his early training at Fort Sam Houston and in July of this year volunteered for service in the Parachute Troops. On his first jump he sustained an injury and was transfered to the Air Corps troop carrier corps. He is now stationed at Lawson Field, Fort Benning, Ga.

Pvt. Clore graduated from Yoe High School here in 1939, and lost no time in getting into service. He is the son of Mr. and Mrs. Lee R. Clore of Cameron. His father is a veteran of World War No. 1.

Mrs. Chas. C. Smith, Sr., has been visiting her daughter, Mrs. A. J. Schuhsler and small son Charles. She is the former Miss Virginia Smith.

RETURN GAME MATCHED WITH KANGAROOS HERE

Football fans were revived considerably here Monday when Coach Dick Young announced that the Yoemen will play the Killeen Kangaroos here Friday night, November 4th.

The game will be called promptly at 8 o'clock. That will be the exact time for the kickoff so if you want to see the game be in the stands before eight.

Cameron lost to Killeen last Friday night by a score of 18 to 0. That was a conference game. The game here Friday night will not be a conference game but it will give the Yoemen another chance.

Coach Young said his boys believe they can defeat Killeen and want a chance to reverse the poor showing there last Friday night.

The Kangaroos are runners up in the conference race. They have not lost a game and will not loose unless it be to Taylor. The conference will end on November 19 when Taylor goes to Killeen and that game will decide the conference.

The game here Friday night was made possible because neither team had a game for that date. When the schedules were made November 4th could not be supplied.

In the game last Friday night at Killeen the Yoemen looked miserable. Their running game was bottled up and their passing, never impressive, looked even worse. As Coach Young sees it the Yoemen just about donated the game and didn't try to win it very hard. The Kangaroos have the better team but the Yoemen believe they can get revenge and so the game here Friday night will be the bright spot in the district.

Cameron fans, many of them, unable to attend the game in Killeen last Friday night can pile into the stadium here for one of the best football games of the year. It will be a duel between Gayle Tollier, Kangaroo quarterback and Roy Torno, ace general for the Yoemen.

SENATOR KYLE VICK IS VISITOR TUESDAY

Senator Kyle Vick of Waco, was a visitor in Cameron Tuesday and guest at the Lions Club where he spoke.

Senator Vick is responsible in large measure for the contract recently let for the piers for the new bridge across Little River. He has made this his No. 1 demand at Austin and hopes to see the new bridge built before another year passes.

Due to lack of steel the bridge construction has been held up. Senator Vick is popular here because of his interest in Milam county.

Paper Market Feels Restrictions of War

The Herald quotes, for the information of business men, a paragraph from a letter just received from Southwestern Paper Company in Houston:

"Your nice order of the 28th, for white Nekoosa Bond, received, but regret to advise have completely sold out of Nekoosa Bond in 20 pound weight and will be unable to procure anymore for the duration. However, we can furnish you with 16 pound weigth."

This letter indicates what may be expected in the paper market. The Nekoosa bond is an equivalent grade to a number of other popular brands, sold in Cameron for many years. Customers may have to accept the lighter grade. War restrictions now prevent the manufacture of rag contents in the better lines of bond paper.

The Herald passes this information along for the benefit of its customers as well as all buyers of paper.

The 16 pound weight, now available, is the same quality as the 20 pound but a lighter weight.

Further restrictions in news print, also has created a situation to be reckoned with. There has been a gradual increase in price. Since December 1942, The Herald has been unable to make a contract on news print at a stated price, but has been forced to buy on a steadily rising market. All other newspapers have had to do the same.

A slight advance in the subscription price has been made effective November 1.

Weldon Renfro of Dallas was a Cameron visitor over the week end.

22 Men in War Zone Write They Receive Legion Cigarettes

Thus far twenty-two men have written their thanks for cigarettes sent overseas by members of the American Legion in Cameron. One letter also been received.

These cards came to Emmett Streetman, leader in the early movement to send cigarettes to men in the battle zones. The cigarettes were Camels and so acknowledged by the men. One of the cards came from Pvt. Wesley Scheer of Rt. 1, box 204 Rockdale, now in the battle zone.

Here is a letter Mr. Streetman received from Ollie L. Dyer, with the 1st Division and which was read to the Post on Tuesday night:

"Today I received a carton of cigarettes from you, and needless to say i appreciate your generosity very much.

"You ask me to let you know how I am doing over here, well for myself I am doing fine and feel well as can be expected under the circumstances, as you Gentlemen no doubt know from past experiences. I am very sorry I can't give you any more definite information than that. I am at liberty to tell you that I have not been over here as long as some of the other soldiers. I came over here as a replacement in February and have been through most, but not all, of the Tunisian Campaign. I can also tell you that I am in the 1st Armoured Division, and the 1st Armoured Regiment.

"To give you a brief history of the First. It is the oldest Regiment in the U. S. Army and has more Battle Streamers than any other, the correct number being 69 and we do not have any Streamers from this war so far. A little information on myself; I am primarily a Tank Officer, but when I first went into action I went in as an Armoured Infantry Officer and later was put into tanks and of course am much happier about the whole thing.

"Well, Gentlement, I will thank you again for your kindness for myself and the men under my command, and sincerely hope you keep up your wonderful work."

RECEPTION FOR NEWLY WEDS

Mesdames Franklin Dusek and Carroll Breeh were joint hostesses to a beautifully appointed reception at the home of Mrs. Leland Green, Sr., on 13th Street, Saturday morning, October 30th, from 10 to 12 o'clock, honoring Mrs. Alvin Dusek, a recent bride, who before her marriage was Miss Gladys Crossland of Nacogodoches.

The reception rooms given over to the party were attractively decorated with handsome fall flowers featuring various colored chrysanthemums and carnation, in bowls and vases that rested at attractive places throughout the rooms.

In the house party were Mesdames Leland Green, Jr., Henry Hefley, Bob Pool, C. W. Sanders, A. W. McCullin and Misses Agnes Dusek, Aniti Knipp and Sallie Moncrief of Nacogodoches, the former home of Mrs. Alvin Dusek.

The table in the dining room was beautiful in its decorations of silver. coffee and tea services where open face sandwiches, sand tarts, Babe Ruth cookies and salted nuts were served. The honoree was dressed in an informal blue crepe dress and wore a varigated dubbonnet corsage.

About one hundred guests called during the hours.

Mr. and Mrs. Alvin Dusek have gone to house keeping at the Ernest Eggert home 1010 N. Lamar street, Cameron.

CHRISTIAN SCIENCE SERVICES

"Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 7.

The Golden Text is: "Cease ye from man, whose breath is in his nostrils: for wherein is he to be accounted of" (Isaiah 2:22.)

Among the citations which comprise the Lesson Sermon is the following from the Bible: "Whosoever is born of God doth not commit sin; for his seed remaineth in him: and he cannot sin, because he is born of God" (I John 3:9.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "When speaking of God's children, not of the children of men, Jesus said, 'Kingdom of God is within you;' that is, truth and love reign in the real man, showing that man in God's image is unfallen and eternal." GERMANS RETREATING IN DISORDER BEFORE REDS

The German armies on the Russian front in the great bend of the Dneiper river are in disorderly retreat before the Red army and vast quantities of war materials are being abandoned.

The Red army was pushing the attack with all possible vigor and indications at noon Tuesday were that the defeat of the Germans is the major disaster of the war thus far for the armies of Hitler.

News accounts indicated that Hitler may no longer be directing military operations but that his generals are in charge and are doing the only thing possible, to retreat and shorten their lines.

In Tokyo the Japanese Diet was in session to hear a message of gloom from the emperor, Hirohito who said that the situation is very grave for Japan. This is the first such message from the Jap monarch. At the same time Premier Tojo told the Japanese parliament that the United States and Britain are on the offensive and that the situation is growing more critical in the Pacific.

The German army estimated at some 500 thousand men in the Crimea are being enveloped by the break through and the armies in the big bend of the Dneiper River may not escape the Russian advance.

For the first time in the war the Russian air force is meeting no opposition from the Germans.

Meanwhile in Italy the armies of Clark and Montgomery are pushing steadily ahead, reporting gains of from 3 to 5 miles on the road to Rome.

These reports came with renewed reports that the Pope, now a virtual German prisoner in the Vatican was making new attempts at effecting peace.

Over in the South Pacific the Japs have lost heavily again in the air with some 150 of their planes being lost to the Americans in new fierce air battles.

CARD OF THANKS

I am greatly indebted to the Cameron Firemen for their work in saving the Palace of Sweets. I want to especially thank also Frank Mills who discovered the fire and turned in the alarm.

The entire city is proud of Cameron Firemen and I want each one to know how thankful I am. Because of their good work I will be able to open tomorrow.

Refrigerator Repair School Here Nov. 9 By Power Company

To meet the need for more trained srevicemen in this vicinity to keep existing electric refriegrators running during wartime, the Texas Power & Light Company will conduct a special refrigertor repair training course at the Company's Cameron office. This two-week school will be opened Tuesday, November 9, by J. Albert Young, Jr., district manager for the Campany. A. L. Andrews, T. P. & L. instructor, will teach the principles of electric refrigeration and school the attendants so that they will be prepared to help refrigerator owners keep their equipment in operating condition.

"Food protection today is more important than ever before," Mr Young points out, "and, under rationing, more perishable food will be kept in refrigerators. War time restrictions make it impossible to replace old refrigerators with new ones for the duration. Therefore, we feel that this school is particularly important at this time."

The purpose of the school is to give each person who attends sufficient training and actual shop work in repairing electric refrigerators to perform a valued service for the community. This course is open to the public.

Those persons interested in participating in this course are asked to notify Mr. Young so that arrangements can be made for manuals.

Badgers Down Belton Tigers In 12 to 7 Game

Lampasas—After trailing, 6 to 7, at the half, the Lampsas Badgers turned on the heat in the third stanza here tonight and finally beat the Belton Tigers 12-7 in a game that was evenly played nearly all the way.

Lampasas scored in the first period of play on a continuous drive down the field from her own 15 yard line, but failed to convert.

Belton came back in the second period and scored after a blocked kick on the Lampasas 32 yard line, and converted to make the score 7 to 6.

In the third stanza, the Badgers put the game on ice when they received the ball on the 37 yard stripe and marched down the field for a score. Neither team threatened to score after that.

Mrs. Roy Law attended the military exercises at Pecos Sunday afternoon. Her son, Charles Roy Law, completed his third basic training course there. From Pecos he will go to Fort Sumner, New Mexico, where he will receive further advanced training and expects to receive his commission on January 7, 1944.

What do You like about Coffee Aroma?

Does the Lord and Master awake with "Monday morning-itis?" Get irritated over innocent feminine foibles? Fine! For here's a sure-cure that'll set him to kicking with glee. Steam up a generous pot of Admiration Coffee. Then ever so casually let the robust, fragrance-laden aroma drift back there where the old grumbler is exploding. Be casual. Don't let on you know.

No need to worry whether it'll work every morning. It will. You can depend on that. Admiration's magnificent aroma is specially and scientifically blended into every pound. Most important of all, it is blended very carefully.

SHH! HERE'S THE SECRET!

The whole secret of that aromatic thrill, which you enjoy in every whiff, is in that one word *blend*. Next time you open a package, note how the generous aroma immediately floods the room.

Ducks Score in Final Period to Beat Gatesville

Taylor.—Taylor's Ducks came through tonight with a 12-7 victory over the Gatesville high school eleven after going into the fourth period trailing, 6 to 7.

Taylor opened the scoring in the second quarter on a pass from Frank Struska to Emory Teichelman that was good for forty yeards and a tuchdown.

In the third period, Gatesville's R. Lengefeld ran off tackle for 60 yards and a touchdown and converted to put the Gatseville boys ahead.

The Struska-Teihelman combine scored again in the fourth with a long pass to sew up the game, 12 to 7.

Pfc. Robert Walker Writes From Asia

A letter from Pfc. Robert E. Walker, colored, has just reached the desk of the publisher.

Pfc. Walker is one of the hundreds of patriotic Americans who are upholding the flag of Democracy on the Global war fronts. While he is not permitted to say where he is stationed, a photo comes along indicating he is in a cold country, and is no doubt missing greatly the balmy weather of his native Cameron.

Pfc. Walker gets the Herald and also the Midget: "Just a few lines to compliment you on your wonderfud paper. I have been reading the Herald constantly for more than a year. My father and Mr. Buck Bonds, send be the paper since I have been in the army. I read them over and over during my spare time.

"Tell all my friends hello. I am praying for an early victory so we may return home again. The writeup of my brother Alexander was sweil. My friends sent me copies of the Herald. I am somewhere in Asia and have been over here for several months. I think we are doing a swell job."

WINTER COMFORT

Lone Star Gas Service costs so little. But this is no reason why in these wartime days some thought shouldn't be given to its wise use. By planning ahead there are many little things you can do to eliminate waste and thereby get full benefit from the economy of whole house heating. The eight suggestions below are insignificant in themselves, but all together they add up to quite a saving over a period of months. But more important they mean the wise use of a fuel which is so important to Southwestern war industries.

HOW TO USE GAS WISELY FOR HOUSE HEATING

1. Avoid overheating. Keep the house temperature around 72 degrees.
2. Keep all heating equipment in good operating condition; keep it clean and free from all dust particles.
3. Flame on radiant-type room heaters should not be allowed to lick out top of radiants.
4. If you have a gas heater in your fireplace, seal the flue to the extent that the room heat will not go up the chimney, yet leave sufficient space for venting heater.
5. See that windows and doors lock tightly; if possible they should be weather-stripped.
6. Where unvented equipment is used, a small opening at the top of the window is recommended to help reduce "wall sweating." Window openings should be no wider than necessary for an ample flow of fresh air, otherwise they become heat wasters.
7. At night when windows are open in bedrooms, shut off rest of house to prevent temperatures from dropping so low that more fuel will be needed to build up warmth during the morning hours.
8. When properly used, insulation can reduce consumption of heating gas 20 to 25 per cent in one-story houses and 15 to 20 per cent in two-story houses of standard type construction. Insulation materials are plentiful.

Gas Floor Furnaces are available for you who can qualify under WPB ruling. Gas room heaters are rationed by OPA. Let us help you in making out necessary application forms.

"Keeping store," Sam Abernethy says, "can teach a person plenty about human nature.

"Now coffee rationing's lifted, folks ain't a-breakin' their necks tryin' to buy all they can. Knowin' they can have it if they want it, they ain't so all-fired anxious to get it."

Sam's right, as usual. I don't crave that second cup half as much as when I couldn't get it.

But that's human nature . . . Like allowing moderate beer in the Army's post exchanges. Instead of leading to more drinking, the OWI report says it works out just the opposite—often as not the men choose soda-pop or milk, with beer right there and no restrictions on it.

But if it wasn't there, like in the last War, the story might be altogether different.

From where I sit, that's how it is with Americans. Tell 'em they can't have a thing and by golly, they'll find ways to get it. But admit their **right** to have it, and their own good sense will lead to moderation.

ARMISTICE DAY PLANS MADE TUESDAY NIGHT

All plans for the coming Armistice Day celebration were discussed and perfected at a meeting of Edwin Hardy Post No. 9 held Tuesday night.

All committee chairmen reported their work well under way and indications are that this will be one of the best planned and executed celebrations ever to be held by the Legion.

Because of the manifest generosity of individuals and different organizations of the city, it was voted to increase the number of McCloskey Hospital wounded Veterans from fifty to seventy-five, who will be guests of the city on this day, and who will enjoy the big turkey dinner being prepared by Jim McGoldrick and his assistants.

The Veterans of Foreign Wars voted to purchase ten tickets for these recuperating casulties, while the Firemen gave twenty tickets and the Lions Club fifteen. There are several other organizations to be contacted, and there will be a good many individuals who will want to entertain one of these men. When these soldiers reach town on Armistice Day, they will be met and each of them given a ticket for the dinner which will state on the back of it, "You are a guest of ....." (name of individual or organization), and we hope your visit with us will be enjoyable."

The main speaker for the occasion will be Col. Thomas K. McElroy who is Judge Advocate of the Eighth Service Command and comes very highly recommended. He is a well known public speaker and the Legion was very fortunate in being able to persuade him to accept their invitation. There will also be entertainment features on the program and all indications are that the celebration will be one of the best.

OBSERVES 78TH BIRTHDAY

Mrs. August Glaser, Sr., is 78 years old, and the mother of ten sons. On Sunday, October 23, at her home in the Salem community, she spent a happy day with nine of her sons. The occasion was an advance observance of her birthday.

Mrs. Glaser was 78 years old on Friday, October 29. Nine of her ten sons were present for the birthday dinner on Sunday before her birthday on Friday. Mrs. Glaser has 33 grand children and two of them in the armed services. She has 13 great grand children.

Before her marriage to August Glaser, Sr., she was Miss Emma Shalper and was born in Germany. She came to America as a young woman. She spent Saturday afternoon in Cameron.

One son, Leo Glaser and famliy live in the home with Mrs. Glaser. Her sons are: Fritz, August, Otto, Rudolph, Herman, Albert, Willie, Theo, Robert and Leo.

Mrs. C. C. Spelce and baby daughter have joined her husband and father, Copl. Carl C Spelce at Desert Club in Indio, Calif. Mrs. Spelce will be remembered as Miss Gladys Kinard, and lived here a number of years before her marriage.

SGT. JOHN HENRY WILSON

Sgt. John Henry Wilson, United States Army Air Corps, is in England, having proceeded to foreign duty after months of intensive training.

Sgt. Wilson, one time employed by the Herald, is the grandson of Mr. and Mrs. George Leath in Cameron. Mrs. Wilson, the former Miss Norma Jean McElwrath, is with the public health unit here.

Sgt. Wilson was reared in Cameron. He enlisted in the air corps and spent much of his time in Florida before going overseas. His advancement has been rapid. He writes often to relatives. A large number of Cameron and Milam county boys are in England.

GERMANS CRACKING AS RED ARMY APPROACHES

From Melitopal the Red army was sweeping to the Crimea and German morale was cracking despite the efforts of the Nazi propagandists.

A major break through has been scored by the Reds who yesterday liberated 90 villages.

There was no indication that the Germans would be able to stop the Russians anywhere on the Eastern front.

Progress was slow in Italy where the British 8th and American 5th were meeting fierce resistance.

Another great air victory has been scored over the Japs in the South Pacific. This time 58 enemy planes have been shot down in a single engagement.

Lt. Roy Vaughan, who is now stationed in Reno, Nevada, has been visiting his many friends and relatives in Cameron.

Interment was made in the Minerva Cemetery with the Green Funeral Home directing arrangements.

Mrs. Brooks had been ill for some time. She was the widow of the late George Washington Brooks who died several years ago.

She had spent the major part of her life in Milam county. Surviving are three sons, Oscar and Leonard Brooks of Maysfield, and Thomas Brooks of Arizona. Four daughters survive as follows: Mrs. R. A. Miller of Maysfield, Mrs. H. C. Evens of Goose Creek, Mrs. John Davenport of Milano and Mrs. B. L. Parker of Tahoka.

Turkey Sales to Civilians May Now Be Resumed Here

Granville G. Weaver, Area Marketing Supervisor of the Food Distribution Administration stated today that:

Turkey sales to civilians may be resumed immediately since enough turkeys on way overeas to meet holiday requirement and army has commitments for a large part of domestic effect since August made it possible for U. S. Armed Forces to purchase 12 million pounds in time for shipment overseas and obtain commitments for most of approximately 23 million additional pounds needed for the armed forces at home. Remainder of supply expected to total 450 million pounds will be available for civilians.

Mrs. F. J. Beckerman is visiting her daughter and son in law, Mr. and Mrs. Sam L. Porter at Beaumont. In her absence, her sister Mrs. Therese Shannon is remaining here and her many friends will be pleased to know she will make her home here for a while.

Tolliver Hits Pay Dirt For Three Scores

Killeen.—Gayle Tolliber, the 145 pound dynamite charge who plays tailback for the Killeen high school eleven did it again tonight against the Cameron Yoemen, and Coach Dick Young's charges tasted defeat again, 18 to 0.

Tolliver scored all of his teams touchdowns on long, sensational runs of from 40 to 50 yards, hitting pay dirt twice in the first period and once in the second stanza. He stayed under wraps most of the last half and watched his team mates bottle up the touted Torno of Cameron.

Standing out defensively for the Killeen team were Earl and Edwin Baker, back and guard respectively. Wayne Arnold of the winners also showed well on the offense.

Mr. and Mrs. H. F. Roberts and baby daughter, Faith, and Mr. and Mrs. L. F. Roberts of Houston spent Sunday in the home of relatives in Cameron.

Mrs. Louis Boggins and small son of Houston have moved to Cameron to live with her mother, Mrs. Clyde Copus for the duration while her husband is in the United States Navy.

LABOR STABILIZATION THIS AREA ANNOUNCED

Following the first week's operation under the new labor stabilization plan for this area, R. C. Moody, local manager of the Temple United States employment service office, reports that according to Pat S. Tillman, area director of the war manpower commission, federal regulations are being observed, although questions concerning interpretations of the stabilization plan as it affects local employers and workers are numerous.

The regulations controling job changes and labor migration which Moody says are creating the most questions are: (1) A worker who changes his job must obtain a statement of availability, either from his former employer or from the United States employment service. (2) A worker is entitled to a certificate of availability, if he is discharged, if he is laid off for a week or more, if his continued employment would be and under hardship or if he is subjected to sub-standard wages or working (3) The United States employment service must approve the hiring of a worker just arrived in a locality, and must approve job transfers in "critical" occupations and transfers from agriculture to a non-agricultural activity. (4) The United States employment service may refer to other work any employee whose highest skill is not being fully utilized full time.

Some of the questions which, according to Tillman, are being asked include:

workerQ—"Can I hire an agricultural worker direct for work in my department store or does he have to be referred to me by U. S. employment service?"

A—"No. You cannot hire an agricultural worker direct. He must have a statement of availability and be referred by the U. S. employment service."

Q—"Must I issue a statement of availability to a worker if I fire him?"

A—"Yes. Any worker is entitled to a statement of availability if he is discharged for any reason."

Q—"If a worker quits his job in my war plant of his own accord, must I give him a statement of availability?"

A—"No. He is not entitled to a statement of availability if he voluntarily quits his job in an essential activity."

Q—"If I have had several years experience as a machinist and am now working as a helper, can I be transferred to another plant where my best skill can be utilized?"

A—"Yes. If there is an opening for a machinist, you can be transfered by referral through the U. S. employment service."

$4,886 Raised in War Chest Drive

Fine progress is reported in the War Chest drive in the county by A. W. McCullin, director.

Mr. McCullin said that $4,886 had been raised in the first six days of the campaign.

He telegraphed the report to Houston on Saturday night showing the progress here. The quota for the County is $10,000 and it can be seen that around half the amount has been raised.

Thanks Expressed for Funds Given Boy Who Lost $11 Last Friday

Mrs. Eva Templin, mother of G. W. Templin, who lost $11 here last Friday and which represented almost a down payment on a bicycle, has written a card of thanks to the people.

"We want to express our thanks to all kind friends who gave money to replace the sum lost by G. W. We especially thank The Midget for helping my son get his bicycle.

"The Lord said give and ye shall receive; also ask and it shall be given unto you." Thanks very much to everyone.

Mrs. Eva Templin
and son, G. W. Templin.

Elizabeth Gunn, Frank E. Susick, Agnes Weems, Pfc. Peter Kalinich, Harriett Weems and Cpl. Adam R. Baughman visited in Killeen on Friday.

Mrs. Etta Manning spent Friday in Temple, and was met there by her daughter, Mrs. R. J. Rose of Killeen, where her husband, Lt. Rose, is stationed.

With the prospect of further drastic reductions in the supply of news print on which your Herald is issued each week, it is important that you not let your subscription lapse.

Many publications are declining under necessity to take on new subscriptions, especially among the magazines. The Herald is still taking new readers, but may be forced to abandon any further expansion of the reader list, if ration conditions dictate.

The Herald reader list now is far above advertising rate levels.

What a picture America could have been, if it had not been for those untiring men who have produced synthetic rubber. Cars stopped; national defense all but crippled; war-machine dead; our way of life at the mercy of others!

What a different picture it's going to be because our Synthetic Rubber Producers rose to the occasion, with a new source of supply!

MacARTHUR SCORES IN NEW THRUST AT JAPS

While the politicians were concluding a so called history making conference in Moscow, American fighting men under General Douglas MacArthur were investing Bougainville only 260 miles from Rabaul, the main Jap base in New Guiena.

General MacArthur birghtning the news of the day said that "If the Jap Fleet comes out I will welcome it. I will throw everything against it."

American troops landed Monday in their new invasion blow on Bougainville Island. The Americans encountered little opposition. Bougainville is the last important Jap base in the Solomons.

The Red army which has made possible the conference in Moscow was bottling up the Crimea in one of the most impressive victories of the war. Shattered German divisions were beating hasty retreats from the area as the Reds cut the Perekop isthmus, last avenue of land escape for the Germans.

The Germans have been put to the necessity of opening a major campaign in Greece. The Herald heard the report that 50,000 Greek Guerilla troops have begun widespread operations.

The Allies were pulling up fast on the road to Rome and are now at the main German defenses in the mountain rim to the east.

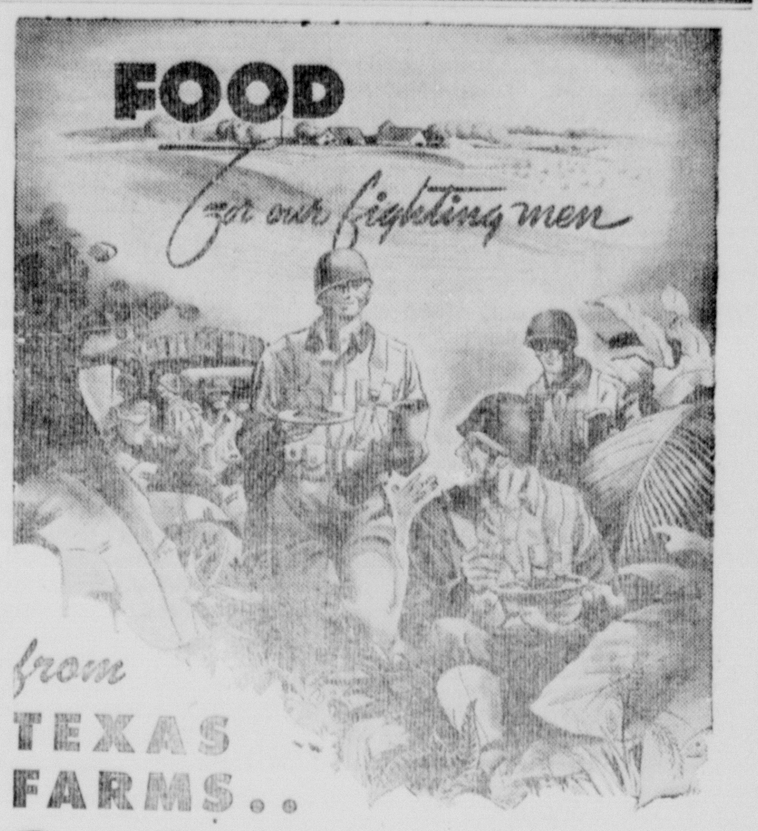
Banking

One of the oldest of now modern institutions to afford orderly process in business, has always been and always will be biggest aid to progress.

Modern business with all its details must have modern facilities to expedite its growth development. Our bank is such a bank. Large enough to comprehend the needs of all and considerate to the point of vital concern for the smallest demand upon us.

CITIZENS NATIONAL BANK

FEDERAL DEPOSIT INSURANCE CORPORATION $5,000 MAXIMUM INSURANCE FOR EACH DEPOSITOR MEMBER



Texas Farmers are cooperating fully in America's war effort... producing maximum quantities of foods for our fighting men and for the home front... foods needed for Victory. The fact that this year's Texas food harvest promises to be one of the greatest in Texas history is ample testimony to the earnestness of the Texas farmer's efforts to produce more food... the most essential "weapon of war."

Through its Wartime Farm Service Program, Texas Power & Light Company is assisting Texas farmers in meeting the larger food production goals needed for Victory. This Company's farm service representatives are "on the ground" assisting farmers in solving their wartime production problems. On many thousands of Texas farms dependable, low-cost electricity is helping overcome the labor shortage by doing jobs once done by men now serving in the nation's armed forces.

In war, as in peace, this Company's service helps to increase the productivity of Texas farms, and to provide better living in farm homes. Texas Power & Light Company serves more than 25,000 farm and rural customers directly from its own lines... and electric service from its transmission lines goes to many thousands of additional farmers through R.E.A. Cooperatives to which this Company provides electricity at low wholesale rates.

The facilities and resources of this Company are dedicated to winning the war as quickly as possible, and to doing such a thorough job of it as to forever discourage dictators who seek to destroy our freedom ... destroy our American Way of Life!

Prominent Radio Artists Star in New Musical Film

According to all reports, those who see Republic Studios latest musical picture "Hoosier Holiday" which opens at Cameron Theatre for one day run starting Today, are in for one of the most enjoyable evenings they have spent for some time.

Many of the leading parts are taken by actors prominent on the air lines of the country. Dale Evans is the feminine star, and playing opposite is George Byron, supported by the Hoosier Hot Shots, the Music Maids, Thurston Hall, Isabel Randolph and Shug Fisher.

Dale Evans, of course, is well known by her appearances on the Charlie MacCarthy show. Isabel Randolph is Mrs. Uppington with Fibber McGee and the other members are equally well known.

The story would appear to be up to date, and very feasibly and could almost be described as the glorification of the working farmer.

The five Baker boys, harum scarum youngsters, operate a big farm in the middle west, and do so very successfully, so much so, that when they attempt to enlist in the air force, they are promptly turned down by their draft board, as being essential on the farm front.

This does not satisfy the boys, however, and they go to all lenghts to make the board change its mind about their cases. They enlist the aid of the five beautiful daughters of the head of the draft board, and this leads to many amusing com-
them at all.
plications, but does not seem to help

Altogether an evening to be looked forward to, and the starting date should be marked on the family calendar in big letters. "Hoosier Holiday" should be a whole lot of fun.

J. P. Love, Former Pastor Here, Returns For Sermon Nov. 14

Rev. J. P. Love, former pastor of All Saints Episcopal church here, will return to the pulpit on Sunday, November 14, at 7:30 p. m.

Rev. Love and Mrs. Love have been making their home in Louisville, Ky., for some months since his resignation as pastor.

They are returning to Cameron for a visit and while here Rev. Love will deliver a sermon at 7 p. m. Sunday, November 14.

E. H. Coffield, member of the church, announced the return visit of Rev. Love. Many friends here will be happy to see them again.

Vital Need Shown For Cans, Scrap Iron and Grease

Hitler does not want us to save this stuff. A few tin cans can be found in some of our road ditches, excellent material for the war effort. It is up to us to decide when we want to serve. SAVE ALL YOUR TIN CANS and Deliver them, as you come to town, on the jail yard, there is a pen for them.

If every child will bring just a little scrap iron to the school scrap pile, it will help the cause, but let us make our Salvage Bank a big one.

Folks tell me they waste no grease. I am sure that is right. Please give us ONE SPOONFUL each day.

We want all kinds of paper, NEWS PAPERS, MAGAZINES, BROWN PAPER and CORRUGATED BOXES. Bring it to your school or to town.

The good people have put Milam County over the top in every drive we have had and we are hoping this drive will be the last one. It can be the last, if we will make it big enough to furnish our boys enough salvage to supply their military needs at the time they need it the most—the quicker, the better—rather than, TOO LITTLE, TOO LATE.

S. E. Brogdon, Chairman,
Milam County Salvage Committee.

CHRISTIAN CHURCH

The American Legion will attend the service at 11:00 a. m. next Sunday for their Armistice Day service.

The Christian Church is inviting everyone to attend the church of his faith, or to attend some church to acquire faith every Sunday; and to read the Bible and pray for an increased consciousness of God every day; to be faithful in these devotions for eight weeks, Nov. 7, to December 26.

Special services are planned for 11:00 a. m. and 7:30 each Sunday. Everyone who has not a church home is assured a congenial fellowship of worship.

The sermons will be based upon Acts of the Apostles. All who want to follow the scripture reading plan may read this week the first and second Chapters of Acts.

The sermons next Sunday will be. 11:00 a. m. "Things Pertaining to the Kingdom of God;" 7:30 p. m. "The Promise Is to You." Acts 1:3 and 2:39.

Lieut. Brashear in England Writes Praise For People at Home

Lt. Warren Brashear, son of Mr. and Mrs. Womack Brashear of Cameron, now in England, a fighter pilot in the army air corps, has just written a letter to his parents.

In this letter Lt. Brashear who drives the P-38 praises the people for their recent war bond buying and calls upon them to respond liberally to the Red Cross. Here is the extract from his letter:

"I was glad to hear that Milam County went over so big in the War Bond Drive. That is all the boys overeas ask, that is to buy War Bonds and keep their supplies running in. I hope that the American Red Cross Drive goes over big too. No one back in the States can know what a great job they are doing over here. It takes care of more boys, in every way too. I sure did my part by them this year and I intend to keep it up."

Mrs. B. Slocomb is leaving Friday for a week's visit with her daughter and family, Mr. and Mrs. J. Hagood in Fort Worth; while there will be joint honoree for a birthday party with her grand daughter, little Mary Lou Hagood who will be five years old Friday.

What You Buy With WAR BONDS

Mosquito Bar

Among the casualties returning to the United States from the Solomons are men who have lost their hearing, not from injury, not from shock, but from attack by insects upon men who have been without mosquito bar protection.

We'll never know how many lives this mosquito bar has saved and you probably never will know just how much good your purchases of War Bonds have done, but you should know that regular and increasing purchases are necessary.

Poppy Sale Saturday For Wounded War Vets

The American Legion's poppy sale will be held Saturday it was announced here Wednesday by H. B. McClellan, member of the local post.

Poppies are sold each year by Legion members through the local post. These poppies are made by wounded war veterans, many of them in hospitals, and are sold for the benefit of these men. Many of the veterans of the last war have no other means of making a living except through the sale of these poppies.

The response here has always been good. This year the appeal will be much greater as many veterans of this war have joined the Legion and will benefit from the sale of these poppies.

The Legion Post will also sell Poppies on Armistice Day which is Thursday, November 11.

Have a Coca-Cola = Swell work, Leatherneck

...or how to celebrate a victory at home

Returning from the South Pacific with a captured Japanese sword, the husky Marine gets a hearty greeting. *Have a "Coke"*, says the proud family circle and it's the kind of celebration he welcomes most. At home or on the fighting fronts Coca-Cola stands for *the pause that refreshes*,—has become a universal symbol of the American way of life.
